

Global Standard for Food Safety- Third Party Auditor 4 Days

Attendance at this course will allow delegates to gain an in-depth and practical understanding of the BRC audit requirements, with particular reference to audit management and consistent report writing.

COURSE CONTENT

This course trains delegates in Third Party audit requirements, against the Global Standard for Food Safety Issue 5 (January 2008 edition). In addition, the course includes all relevant aspects of auditing within the food sector. Tutors will focus on:

- Requirements clause by clause
- BRC audit aims and objectives
- BRC audit concepts
- Interactive workshops with various case studies
- Auditor skills
- Audit report writing
- Reporting the audit

There is a 2.5 hour written examination on the final day.

BENEFITS TO YOU AND YOUR BUSINESS

- Gain an in-depth and practical understanding of the BRC audit requirements, with particular reference to audit management and consistent report writing.
- On passing the examination, delegates will be issued with a BRC Third Party Auditor certificate, with a unique reference number. This allows an EN45011 accredited certification body, when using an auditor trained by the BRC, to incorporate the BRC Third Party Auditor Logo on certificates issued following an audit against the Standard.

(Please note that this qualification does not guarantee employment as an auditor with a certification body.)
