

Internal Auditor 2 Days

The **NEW** course is delivered through a mixture of workshop led discussions, practical activities and PowerPoint presentations. On day two delegates are required to undertake a live audit (case study based) where delegates are required to apply the skills and techniques they acquired on day one. Delegates will be given feedback on how they performed during the case study and how they can improve on their auditing techniques.

COURSE CONTENT

- BRC audit concepts
- The internal audit
- Auditor skills
- Audit report writing
- Interactive workshops with various case studies

ASSESSMENT METHODOLOGY:

The method of assessment will be through:

- On going assessment of delegates throughout the course
- Delegates undertake a work place audit and submitting an audit report for assessment

BENEFITS TO YOU AND YOUR BUSINESS

- The course will give delegates a full understanding of how to undertake internal audits and prepare companies for Third Party Audits.

PREVIOUS KNOWLEDGE

An understanding and working knowledge of quality management systems within the relevant manufacturing/processing environment would be an advantage, but is not essential.

AUDIENCE:

- Quality Managers
- Technical Managers
- Anyone involved with the management of auditing

LOCATION:

Cork, Dublin, Dundalk

PRICE

€800
